Urgent Community Updates

81.4% Have Answered the Call. Have You?

Honor our veterans. Strengthen our community. Cast your vote before the polls close Tuesday at 7:00 p.m.

First, thank you to everyone who has already voted.

Robson Ranch has accomplished something extraordinary. As of today, **81.4% of our registered voters have already cast their ballots.** That level of participation is remarkable and is drawing attention well beyond our community.

And we're not alone.

Across Denton County, more than **326,000 residents cast ballots before Election Day**, a participation level approaching presidential-election turnout. Nearly **47% of all registered Denton County voters have already voted**, as more Texans choose the convenience of early voting and avoid the long Election Day lines.

This is what civic engagement looks like.

But our work is not finished.

We still have approximately **210 voters in Precinct 4185** and **310 voters in Precinct 4310** who have not yet cast their ballots. These are not anonymous statistics. They are our neighbors, friends, and fellow residents.

While turnout has increased among voters of all political affiliations compared to 2022, Republicans still have a significant number of reliable historical voters who have not yet participated in this election. It is to those voters that this message is directed.

The energy is here.

The enthusiasm is here.

The momentum is here.

But elections are not won by enthusiasm alone.

They are won by votes.

Grassroots volunteers have spent months attending meetings, making phone calls, encouraging neighbors, sharing information, and helping citizens become engaged. They have done their part.

But there is one thing no activist can do:

They cannot cast someone else's ballot.

That responsibility belongs to each citizen.

If you've already voted, thank you.

Now help someone else vote.

Call a neighbor.

Check on a friend.

Offer a ride.

Encourage someone who's been meaning to go but hasn't yet made the trip.

10 Friends. 10 Votes. One Stronger Texas.

The Robson Red Riders

One of the things that makes Robson Ranch special is that neighbors help neighbors.

For residents who prefer to vote on Election Day but need assistance getting to the polls, **Deb and Jeffrey Scott have volunteered as the Robson Red Riders.**

On Election Day, they will provide complimentary transportation to and from the Clubhouse polling location. Whether by car or golf cart, they are ready to help ensure that every resident who wants to vote has the opportunity to do so.

Please don't let transportation keep you from participating.

This is simply neighbors helping neighbors.

A Final Thought

As Election Day approaches, we are also approaching **Veterans Day on November 11.**

Many of the freedoms we enjoy today, including the right to vote, were preserved through the sacrifice and service of generations of American veterans. They stood watch, served far from home, and defended the liberties that make self-government possible.

One of the greatest ways we can honor their service is to participate in the very process they helped protect.

Let's not allow their efforts, sacrifices, and commitment to our nation to be taken for granted. Voting is more than a right. It is a responsibility, and one that countless veterans have defended throughout our nation's history.

As citizens, we owe it to them, to our families, and to future generations to make our voices heard.

And before Veterans Day arrives, I hope you'll join us at our next meeting on **November 4**. Doors open at 6:00 pm and Program begins at 6:30 pm. All are welcome!

We are honored to welcome **State Representative Andy Hopper**, who will help us recognize and celebrate the veterans within our community. We will also hear from **Sheriff Tracy Murphree**, one of Denton County's most respected public servants, as he shares updates and insights relevant to our community.

I encourage you not to miss this special meeting as we come together to honor those who served and discuss the issues that matter to Denton County and Texas.

Let's Finish Strong

Robson Ranch has already achieved an incredible 81.4% voter turnout.

There are still approximately 210 voters in Precinct 4185 and 310 voters in Precinct 4310 who have not yet cast a ballot.

Let's reach them.

Let's help them.

Let's remind them that every vote matters.

If Robson Ranch is going to be noticed nationally, let it be because our community demonstrated what civic engagement looks like. Let it be because we showed up, encouraged our neighbors, honored our veterans, and made our voices heard.

Tuesday is the final day to vote.

Polls are open from 7:00 a.m. until 7:00 p.m.

Let's not stop at 81.4%.

Let's finish strong.

Vote. Bring a friend. Encourage a neighbor.

Because campaigns are powered by volunteers.

But democracy is powered by citizens.

Need a ride to the polls? Contact the **Robson Red Riders**. Neighbors helping neighbors, one voter at a time.
