A Message from your President

Community Updates: Pioneer Press & Voter Guide Card

The September Pioneer Press was delivered to every home in Robson Ranch today, and inside you'll find a helpful resource for the upcoming election. In the center of the issue is a **Republican Voter Guide Card**, generously sponsored by a club donor who wanted to ensure our precincts are well-prepared when heading to the polls.

This card lists all Republican candidates you will actively need to select on your ballot. Please note that there are 18 additional Republican candidates who do not appear on the card because they are running unopposed. When you vote, it will be clear on the ballot that these candidates are Republicans.

We encourage you to remove the voter card, tuck it into your purse, briefcase, or place it on your refrigerator so it's easy to find when you go to vote. Our hope is that this guide serves as a simple, convenient tool to support you during Early Voting and on Election Day!

Correction: Membership Sign-Up & Yard Signs

We want to bring your attention to a misprint that appeared in the September Newsletter under the Membership Sign-Up & Yard Signs section. The newsletter stated that our fall membership drive continues Saturday, September 16, from 9:00–11:00 AM in the Robson Ranch Clubhouse.

The correct information is:

Wednesday, September 16, 9:00–11:00 AM, Robson Ranch Clubhouse.

We sincerely apologize for this error and hope it did not cause any inconvenience.

As we pause to honor 9/11 and the unity that carried our nation forward, we also close the chapter on a successful midterm convention that strengthened our direction and clarified our goals. Football season now begins, and like any good team, a rally builds momentum, sharpens focus, and reminds us that we win by showing up for one another.

Thank you for your continued engagement, your patriotism, and your commitment to our shared community.

Patriotically,

Julia Ann Greenawalt

President, Robson Ranch Republican Club
